MEMBERSHIP INFORMATION

This Member Guide describes your Automobile Club of Missouri (AAA) member benefits, serving members in Missouri, Kansas, Arkansas, Illinois, Indiana, Louisiana and Mississippi. All members are entitled to receive Classic benefits. Members who have paid the AAA Plus®, AAA Plus RV, AAA Premier®, or AAA Premier RV dues are also entitled to receive the enhanced membership benefits, as applicable. Extended Roadside Assistance services for AAA Plus®, AAA Plus RV, AAA Premier® or AAA Premier® RV benefit levels, where available, are effective seven (7) calendar days after upgrade is processed, and receipt of the full payment due. A non-refundable service fee applies each time you use Roadside Assistance on the same day you become a member. See AAA.com/servicefee for fee amount.

Membership is for personal, non-commercial use. Members cannot transfer or sell their membership, membership benefits or any roadside assistance service calls to any other person. Without limiting any other rights or remedies it may have, AAA may cancel the membership, and seek payment of any costs incurred as a result of such misuse.

AAA Membership
All applications and renewals are subject to approval and acceptance by AAA. If at any time during the year you decide that AAA is not for you, we will give you a pro-rated refund of the membership dues you paid, excluding the new member admission fee and discounts. Membership eligibility, dues, fees, services and benefits are subject to change without notice.

AAA Primary and Associate Memberships
The first membership in your household is the Primary Membership. Associate membership is available to your spouse or other adult residing in your household. There is a limit of one adult Associate per household. Other eligible associates are dependent, unmarried children between 14 and 25 years old, who live in your household or are full-time students away at school. Birth dates must be provided for all Associates. Associate Members enjoy the same membership benefits as Primary Members. Primary Members are responsible for the conduct and the service demands of their Associates and any costs to AAA incurred as a result of misuse of AAA benefits by their Associates under the membership. An individual may be a member on only one membership at a time.

Membership Renewal
AAA membership is valid for one year (excluding special offers and promotions). The day and month and, in most cases, year that your membership expires appears on your membership card. (If you are enrolled in AAA Auto Pay, your membership card may indicate a two year expiration date, but your membership nevertheless will not stay active unless you pay your membership dues annually.)

Membership may be renewed annually upon payment of applicable annual membership dues. Prior to the expiration of your membership, you will receive one or more renewal notices. These notices will state the names of the current Primary and Associate Members, the current services, and the total membership dues required for renewal. You may add or change Associate Members and services if desired. Your renewal payment is due as of your membership expiration date. We will accept renewal payments for up to 60 days after your membership expiration date. If you renew your membership prior to your membership expiration date or within 60 days thereafter, your original membership number, membership join date and membership expiration date will remain unchanged and your renewed membership term will expire one year from your membership expiration date, even if such new expiration date is less than one year from the date you paid for your renewal. AAA will continue to provide most membership benefits and services to you after your membership expiration date for a limited period of time; however, if you do not renew, you will be billed a service charge for certain services used during such period.

If you prefer not to renew, you may purchase a new membership at any time subject to all applicable new membership policies. New memberships are issued with new membership numbers, no prior “membership years”, and may require payment of certain non-refundable fees, such as a new member admission fee. New memberships expire one year (excluding special offers and promotions) from the membership join date.

Membership Cancellation Policy
AAA may cancel any Primary or Associate Membership if the conduct of the Primary or Associate member is determined to be harmful to the welfare, standing, or best interest of AAA, its employees, or its members. Membership may also be cancelled if the service demands of the Primary or Associate members are determined to be excessive, or the Primary or Associate member has misused Roadside Assistance benefits or has failed to comply with the Roadside Assistance program terms and conditions. Primary Members are responsible for the conduct and the service demands of their Associates.
AAA Auto Pay
By enrolling in AAA Auto Pay, your AAA membership will automatically renew annually unless you contact us to cancel. We will send a statement of your current services and renewal dues amount no less than 30 days prior to the expiration of your annual membership. Unless you contact us to make changes, cancel automatic payments or cancel your membership, we will automatically renew your membership and charge the dues shown on your statement approximately 10 to 15 days prior to your expiration date from your debit/credit card account on file or approximately the business day before your expiration date from your checking account on file.

By providing your phone number, you agree that we may contact you via a prerecorded voice message, auto-dialer, or text message in the event of a payment failure with your membership dues and in other circumstances. If your card issuing institution participates in the Card Account Updater program, we may receive an updated card account number and/or expiration date for your card on file. Unless you opt out of the service with your card issuer, we will update our files and use the new information when we bill you for your annual membership dues. We will not receive updated information if your account has been closed. Payments that cannot be processed or payments returned unpaid or otherwise rejected by your financial institution may result in cancellation of AAA Auto Pay enrollment and membership.

You may cancel AAA Auto Pay at any time by calling us at 1.888.467.3543, going online at AAA.com/myaccount or visiting your local branch. You may cancel your membership at any time by contacting us at 1.888.467.3543 or visiting your local branch.

Returned checks and returned electronic payments may be re-presented for payment. Each returned check and returned electronic payment is subject to a returned payment fee, which may be debited electronically. For fee amount visit AAA.com/servicefee.

AAA Auto Pay discount applies only to the membership of the member opting for AAA Auto Pay, is for promotional purposes, nonrefundable, nontransferable, has no cash value, and is not valid after the membership cancels. Discount is only for members enrolling in AAA Auto Pay for the first time. Discount will be applied at the time of AAA Auto Pay enrollment for new memberships or at membership renewal for existing members if enrolled in AAA Auto Pay at the time of renewal. Discount subject to discount offer terms and conditions.

Collecting Your Contact Information
As a membership organization, it’s vital for AAA to have our members’ current contact information (e.g., address, phone and email) in order to provide member benefits and to inform members of the various products and services offered by AAA. We will ask for your contact information when you first become a member. Thereafter, when you contact us, we will ask for your contact information to authenticate your identity and to ensure that we have your most current contact information. If you provide an email address, we will send you emails informing you of Member products and services, unless you unsubscribe.

Non-Solicitation Request
You can choose not to receive savings opportunities and marketing offers by mail, phone, and/or email from us or from our affiliates. Call us at 1.888.467.3543 or write us at AAA, 12091 N. Forty Dr., St. Louis, MO 63141. Or go on line at AAA.com. Your request will take effect within 60 days. During this time, you may receive mailings that were already in progress. However, you will continue to receive your AAA magazine, other communications directly related to your membership, and promotional offers with your bills and renewal notices.

ROADSIDE ASSISTANCE

Roadside Assistance
Calls placed to our 24-hour call centers may be recorded to increase our ability to monitor the quality of service and assist in addressing member concerns. Please contact us and cancel your service request immediately if you no longer need assistance.

When requesting service, be prepared to provide:
- Your name and AAA membership number
- Telephone number from which you are calling or can be contacted
- The exact location of your vehicle and nearest cross streets
- Make, model, year, color and license plate number of the vehicle
- Nature of the trouble

A SAFETY MESSAGE
If you are concerned for your safety or for the safety of others, tell the AAA service representative or the service provider. Procedures have been established to assist members in certain situations.

When requesting Roadside Assistance, it is very important to give an accurate location for you and your vehicle. If you are unsure of the vehicle’s location, or you prefer not to remain with your vehicle, advise the service representative, who will work with you to establish a mutually agreeable location for the service driver to meet you. Accept service only from service providers that display the AAA or American Automobile Association emblem.

YOUR AAA MEMBERSHIP CARD IS YOUR KEY TO SERVICE
To receive Roadside Assistance, you must present your AAA membership card or dues receipt and a matching valid driver’s license or other state or federally issued photo identification to the service provider when the service vehicle arrives. Your identification may be scanned or swiped to verify your identity and authenticity of your identification. You must provide a driver's license for identification if you are the driver.

Service is available only to the person named on the membership card who is the driver of or a passenger in the vehicle at the time of the covered vehicle disablement. AAA memberships are not transferable, and membership service is not provided to non-members. Members cannot transfer or sell their membership or any service call to any other person. Other members of your household who want Roadside Assistance must have their own membership cards, in their own names, to obtain service.

Unless a valid AAA membership card and matching valid driver’s license or other state or federally issued photo identification are presented at the time of service, you will be required to pay for the service provided at commercial rates.

If a member is injured in an automobile collision, the service provider, when requested, will take possession of the vehicle and hold it until receiving instructions from the member. Any storage fees will be the responsibility of the member.

ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS
Each AAA cardholder is entitled to four (4) Roadside Assistance service calls or reimbursements for personal, non-commercial use per membership year at no charge, subject to the service limitations and conditions in this guide. Service requests are not accumulative among members and are not transferable. Only one service call is allowed per breakdown. There will be a service charge for each additional service call after the fourth service call or reimbursement. AAA may require immediate payment of a service charge by credit or debit card for “Classic” benefit level service before providing Roadside Assistance on the fifth or subsequent service request in a membership year. Additional charges for Roadside Assistance services beyond the “Classic” benefit level, such as towing beyond 3 miles; the cost of emergency fuel, excess vehicle locksmith services, and services such as towing, extraction/winchng and tire change service for RVs and motorcycles, will be payable by the member directly to the service provider at the time of service at such service provider’s applicable rates. If the member is unable to provide a valid credit or debit card to AAA at the time of service request or the charge is not approved by the credit or debit card company, AAA may send service on a “Cash on Delivery” (COD) basis, meaning all charges payable by the member will be paid directly to the service provider at the time of service at such service provider’s applicable rates. If a cardholder has an unpaid service charge balance and contacts AAA for Roadside Assistance service,
AAA may require immediate payment of both the unpaid balance and the service charge for the current service call before providing service. The nonpayment of a service charge may result in cancellation of membership.

**TYPES OF SERVICE**

- **MINOR MECHANICAL FIRST AID**
  When it is safe, minor repairs may be attempted at the scene to place the vehicle in a drivable condition. These repairs cannot be guaranteed, and members should immediately proceed to a repair facility to consult a mechanic. AAA cannot guarantee the availability of repairs. The AAA service representative can assist you in locating a local AAA Approved Auto Repair facility, upon request.

- **FLAT TIRE SERVICE**
  If the vehicle’s spare tire is inflated and serviceable, it will be installed to replace a flat tire, if possible. When a serviceable spare tire is not available or cannot be installed, towing will be provided under the towing benefit. Tire service is excluded for dual wheel vehicles.

- **BATTERY JUMP START**
  If your vehicle’s battery is dead, the service provider will jump-start your vehicle if possible. If it cannot be started, towing will be provided under the towing benefit.

- **AAA BATTERY SERVICE**
  AAA Battery Service is a mobile battery testing and replacement service. In areas where the service is available, a AAA Battery Service technician will test and assess the vehicle’s battery and electrical system. If the existing battery fails the test and the member would like to have the battery replaced, the member can purchase a AAA battery. The technician will install a new battery, if available, that meets or exceeds the vehicle’s original specifications. All batteries come with a 1-year limited warranty. AAA Battery Service is generally provided by independent service providers and is only available in select areas, during select hours. Batteries and battery warranties are provided by independent suppliers. Batteries are available for most makes and models. Battery prices vary depending on vehicle make and model. Copies of the warranties are available for inspection from the technician at any time upon request. Membership Roadside Assistance terms and conditions apply.

- **EMERGENCY FUEL DELIVERY**
  If your vehicle runs out of fuel, a limited supply will be delivered, if available, in an emergency situation to enable you to reach the nearest gas station. Classic members will be charged for the fuel. AAA Plus, AAA Plus RV, AAA Premier and AAA Premier RV members will receive enough fuel at no cost to reach the nearest gas station. Diesel fuel must be requested when you request service and may not always be available. In some cases, your vehicle may have to be towed if it runs out of fuel.

- **EXTRICATION/WINCHING SERVICE**
  If your vehicle becomes stuck, one normally equipped service vehicle and one driver will be provided to extricate or winch your vehicle when it can be safely reached from a normally traveled road or established thoroughfare. Extirication of vehicles parked on streets, driveways, parking lots or parking lots, snowbound or flooded is not covered under AAA membership. Service does not include shoveling snow from around a vehicle or clearing a road or driveway. If special equipment, more than one service vehicle or more than one person is required, the associated costs may be at your expense. AAA Plus and AAA Premier members who require extrication or winching for a vehicle or RV will be provided an additional truck and driver for one hour for the extrication of a covered vehicle as needed.

- **VEHICLE LOCKOUT AND LOCKSMITH SERVICE**
  When the keys are locked inside the vehicle passenger compartment, the service provider will attempt to gain entry. If this attempt is not successful and the services of a vehicle locksmith are required to gain entry, the expenses are fully covered or reimbursable. (See Reimbursement.)

- **TOWING SERVICE**
  Towing service cannot be started or safely driven, due to a sudden or unexpected breakdown, accident or other covered vehicle disablement, the service provider can tow the vehicle back to its facility, no matter how far away, at no charge to the member. A covered vehicle disablement is a sudden mechanical, electrical or other failure of a motor vehicle that places the vehicle in an unsafe or undrivable condition. Not all service providers perform repairs at their facility. If you choose to have the vehicle towed to another location (including a AAA Approved Auto Repair facility), it will be towed without charge to a destination of your choice that is up to three (3) driving miles in any direction from the point of breakdown for Classic members and up to 100 driving miles for AAA Plus and AAA Plus RV members. With AAA Premier, you can use one (1) of your four (4) Roadside Assistance service calls per cardholder per membership year for a tow of up to 200 driving miles, and the remaining allowable service calls for towing of up to 100 driving miles. For AAA Premier RV members, one of the four allowable service calls can be a tow up to 200 driving miles for a Recreational Vehicle or other eligible vehicle, but will be limited to one per household per membership year. AAA Plus and AAA Premier towing may be subject to a delay. If the AAA Plus or AAA Premier member elects to have his or her car towed back to the servicing contract station within a breakdown and that station is unable to make the necessary repair or the member chooses not to have the car repaired by the contractor, the member is entitled to a tow to another service facility within the towing benefit limits provided by the membership. Towing may be available for light duty trailers being towed at the time of disablement. The member, however, will be responsible for any related charges for towing of the trailer.

- **EXTENDED ROADSIDE ASSISTANCE**

  Extended Roadside Assistance services for AAA Plus®, AAA Plus® RV, AAA Premier® or AAA Premier® RV benefit levels, where available, are effective seven (7) calendar days after upgrade is processed, and receipt of the full payment due. AAA Premier and AAA Premier RV do not add extra service calls to a membership but enhance the benefits on the four allowable service calls per membership year that each AAA member receives.

MEMBER COMPLAINTS

Member complaints should be received as soon as possible and before additional repairs are made. Failure to do so may limit our ability to assist.

Rental Car Benefits

They will have parts or be able to provide repairs.

A member whose car is being towed and who needs a rental car in AAA’s territory (but not other American Automobile Association club territory) can get a replacement vehicle at a discounted rate from a AAA preferred rental car provider. AAA Plus members receive a complimentary one-car-class upgrade in addition to the AAA discounted rate. If the one-car-class upgrade vehicle is not available, the AAA Plus member will receive the next higher car class, subject to availability.

If you are a AAA Premier member whose car is being towed and who needs a rental car in AAA’s territory, we will arrange for you to get a midsize class or equivalent rental car for one (1) day, at no charge, from a AAA preferred rental car provider. Rental must be arranged by AAA.

Each AAA Premier cardholder is entitled to one (1) complimentary one-day midsize class or equivalent rental car per membership year. The AAA Premier member has up to 48 hours from the time of the tow to contact AAA and request the one-day complimentary rental car benefit.

Service must be provided by the rental car provider arranged through AAA by calling the AAA Roadside Service number on the back of the membership card and cannot be for an out-of-club territory rental. AAA Premier members are responsible for subsequent days’ rental charges, upgrades, one-way rental fees, vehicle insurance, mileage and fuel charges, and any other charges, fees and taxes.

Once the one-day complimentary rental car benefit has been used, AAA Premier members are entitled to the AAA discounted rental car rates and complimentary one-car-class upgrade described above for the balance of the membership year. The complimentary one-car-class upgrade may not be used in combination with the one-day complimentary rental car benefit.

You will need to present your AAA membership card and a major credit card at the time of rental. Normal rental qualifications and other restrictions, including age restrictions, apply. Rental cars are subject to availability. Rental fee subject to change. A refundable deposit may be required.

Members who obtain a rental vehicle from a AAA preferred rental provider may request local pick-up service, if available in your neighborhood, to get to a rental location.

RIDE ASSIST

If you are a AAA Premier member and have an accident or breakdown, a AAA representative can help you make rental car or other transportation arrangements.

ACCIDENT ASSIST

AAA Premier members can receive verbal assistance at the time of an accident or breakdown. When you call for Roadside Assistance, a AAA representative can help you contact family members, locate restaurants and find hotel accommodations.

ROUTE SUPPORT

AAA Premier members can call AAA Premier services from within the U.S. to receive driving directions and assistance. Whenever possible, members should pull over to a safe spot before making a call to use this service.

INDEPENDENT SERVICE PROVIDERS

Roadside Assistance services as described in this guide are generally provided by independent businesses under contract to AAA (not employees or agents of the American Automobile Association, AAA or other American Automobile Association clubs). In some areas, service is provided by AAA employees and AAA-owned vehicles. The independent businesses are selected for their ability to provide Roadside Assistance. We cannot guarantee they will have parts or be able to provide repairs.

While responsibility for injury, loss, damage or unsatisfactory workmanship caused by the acts or omissions of any independent service provider remains with the independent service provider, AAA will attempt to assist members in resolving complaints involving an independent service provider. Member complaints should be received as soon as possible and before additional repairs are made. Failure to do so may limit our ability to assist.

ELIGIBLE VEHICLES

The following motor vehicles are eligible for service, provided they qualify for highway registration and are not loaded, altered or constructed in such a way as to cause damage or create a hazard when being serviced:

- Four wheel, motor driven automobiles, pickup trucks, sport utility vehicles, vans, minivans and light utility motor vehicles are eligible for those services which can be safely performed with equipment available from the service provider. Service does not include the use of medium duty or heavy duty wreckers for towing of vehicles too heavy to be safely towed using ordinary equipment, unless that equipment is the type being used by the provider on the call. Medium duty or larger equipment is typically required for vehicles exceeding 8,000 gvw.

- Recreational Vehicles (RVs) are eligible for service with the exception of towing, extrication/winching and fire change service. Towing, extrication/winching and tire change service for RVs is available under AAA Plus RV and AAA Premier RV benefits. RVs include motor homes, pickup trucks with campers, travel trailers (including fifth-wheel travel trailers), camping trailers, motorcycles, and trailers transporting motorcycles, all-terrain vehicle, snowmobiles and boat trailers out of water. Coverage is not provided for horse/livestock trailers, car haulers/dollies, utility trailers, for boat trailers in water, or other trailers not containing living accommodations or not carrying a boat, motorcycle, all-terrain vehicle or snowmobile.

- Motorcycles are eligible only for the delivery of fuel and locksmith services. Towing and extrication/winching service for motorcycles is available under AAA Plus RV and AAA Premier RV benefits. Motorcycles must be licensed for highway use.

SERVICE OUTSIDE AAA TERRITORY

If you are driving outside of the AAA club’s territory, other American Automobile Association clubs may not have access to your Roadside Assistance Service usage history. Members are entitled to Roadside Assistance from the local American Automobile Association or Canadian Automobile Association (CAA) Club servicing the area. Members will be required to pay the service provider for any service that the local American Automobile Association or CAA Club does not normally provide its members. An application for reimbursement of service charges may be submitted to AAA for consideration (See Reimbursement).

CHECK ACCEPTANCE FOR EMERGENCY REPAIRS

Personal checks presented by members of AAA with more than one (1) year of membership shall be accepted by all AAA service providers or independent service providers within the AAA network for up to $250.00 for emergency repairs or service. Checks drawn on a foreign bank will not be accepted.

EXTREME SERVICE CONDITIONS

AAA will make every effort to ensure that the provision of Roadside Assistance can be made under all conditions. During severe weather or road conditions, however, there may be some service delays before help can reach you. Heavy traffic may also delay the arrival of the service provider driver. Because towing is by far the most time-consuming type of service AAA provides, towing operations may be temporarily suspended to avoid excessive delays to members waiting for other services. During such times, priority will be given to members stranded away from shelter or to members with vehicles that have skidded and/or become stuck on highways in severe snowstorms.

SERVICE LIMITATIONS

Service will be limited to that which can be provided with equipment ordinarily used for Roadside Assistance by the service provider serving the area. Service will not be provided when the disabled vehicle cannot be safely reached or serviced without damage to the vehicle or servicing equipment.
Service may not be used as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. AAA cannot render service repeatedly to a vehicle in need of repair.

Service is intended for personal, non-commercial use, and is only provided for a covered vehicle disablement. An individual’s AAA membership may not be used by a business or organization to provide roadside assistance for its customers, employees or vehicles, including but not limited to, taxicabs, limousines, shuttles and other commercial vehicles for hire.

Towing service will not be provided for the purpose of transporting vehicles due to a purchase, sale, renovation, auction transaction, car show exhibition, charitable donation, relocation or any other similar situation. Such tows are considered “convenience tows” and are not covered roadside assistance services.

Without limiting any other rights or remedies it may have, AAA may seek reimbursement from a primary or associate member for roadside assistance services if it keys are lost or stolen. Any charges in excess of $100, as well as all charges associated with any other residential locksmith services, are at the expense of the AAA Premier member.

Home Lockout
If you are a AAA Premier member and you become locked out of your home, you can receive up to $100 in locksmith services to pick or drill the lock to gain access to your home from the outside. Home lockout service is reserved for a AAA Premier member’s primary residence within the areas served by AAA only (and not areas served by other American Automobile Association clubs) and excludes all other buildings or locked areas. The service provides up to $100 for the cost of re-keying, changing locks or making a new key only when the lock must be drilled to gain entry to the home or keys are lost or stolen. Any charges in excess of $100, as well as all charges associated with any other residential locksmith services, are at the expense of the AAA Premier member.

Home lockout service is limited to one (1) usage per AAA Premier household per membership year. Home lockout service is not transferable to any other person. The AAA Premier member must be present at the time of service. Identification and proof of residence is required. In the case of rental property, approval of the property owner may be required. Service is valid only within the areas served by AAA (and not areas served by other American Automobile Association clubs). Service is provided by independent locksmiths and is subject to availability; if AAA cannot dispatch service, the member will be referred to a commercial locksmith and will be reimbursed for covered service up to $100. Locksmith arrival time is based on locksmith availability.
